

National Tutoring Programme

Dear Parent / Guardian,

We are writing to let you know that your child's school is participating in the 'The National Tutoring Programme' (NTP). The programme provides subsidised tuition for pupils needing additional support during the 2021/22 academic year as a result of the school closures due to the Covid-19 pandemic. The scheme is being funded by the Department for Education, and Randstad Public Services Limited (Evaluator) has been appointed to administer and evaluate the programme. We (Protocol Education) are the Tuition Partner responsible for the delivery of the tutoring sessions in your child's school.

A consortium led by the Evaluator is assessing the programme to find out if it has an impact on children's attainment and to identify ways to improve tuition delivery in the future. To that end, your child's school will share data about your child with us, and with the administrator and evaluators. The attached privacy notice summarises what personal data will be collected, and how this data will be collected, used, shared and protected. We, as well as the Evaluator, have robust procedures in place to make sure that we comply with the requirements of General Data Protection Regulation (GDPR).

If you are happy for your child's data to be used for this evaluation, **you do not need to return the reply slip**. However, if you would prefer your child's data not to be shared, stored and used for this project, please complete the form below and return it to your child's teacher within one week of receiving this letter. If you would like to withdraw your child's data from the evaluation at any subsequent stages please inform your child's teacher.

If you have any queries please contact us via email at ntp@protocol-education.com

Yours sincerely,

John Bishop
